MANAGER'S AGREEMENT

It is the team manager's responsibility to set an example of sportsmanship and fair play. The team manager is responsible for controlling the conduct of the team's players – before, during and after the game. Both the manager and the entire team can be held responsible for the conduct of any single individual on the team and/or spectators. If any individual player violates Player Code of Conduct (description follows) the manager or team can also receive the same penalty. Managers are responsible for the following:

- To ensure all players are aware and will abide by the team and manager guidebook as well as sport specific rules at all times. The Guidebook and sport specific rules are available at www.teamsideline.com.fairoaks.
- The accuracy of their team roster at all times.
- The conduct of their players, bench, and fans.
- To ensure only players that are on the roster will be allowed to play in league games. All managers utilizing non-roster players will be suspended for a minimum of one (1) game.
- To ensure all players have proper photo identification with them at all times and presents it upon request of the field/gym supervisors, league officials, and/or FORPD Staff. Refusal to produce proper identification will consider the player a non roster player.
- To ensure that all team equipment is legal and within the guidelines of each sport.
- Contacting team players in the event of a game cancellation or rescheduling.

I hereby acknowledge that I have read and understand the above and agree to be held bound by the Manager's Agreement. If I fail to act as described in the Manager's Agreement, I fully understand that my team and I can be asked to leave the Fair Oaks Recreation and Park District programs.
