

TRAVELER'S GUIDE TO ROCKY'S ADVENTURES

Dear Traveler,
Thank you so much for taking me with you on your trip! I am so excited to see what adventures we have in store. Here are some reminders to ensure we have the BEST trip possible!

ALWAYS REMEMBER:

Take some photos of me while we're on our adventure! I like to climb trees, enjoy some sun, and lots more! Get creative! Please make sure I am being safe and having fun in all of my photos! Tag me while our adventure is happening @Rocky Rooster and using the #rockysadventures and #forpd

Please don't submerge me in water or any other material that may ruin my plush body! I've got a delicate body that I'd like to keep intact for all the adventures yet to come!

Do not machine wash or dry clean me! If I get dirty, just use some mild soap and water. No bleach!!

Make sure to journal my adventures with you! Keep good track so that other travelers can see where we've been! You can even tape in a souvenir like a leaf or a postcard!

happy trails! let's go on an adventure!

-Rocky the Rooster
